

Ward 8 By-Election!

Excellent Result Carla and Team!

THANK YOU FOR YOUR SUPPORT
BRACKENFELL AND KUILSRIVER!

Dear Supporter,

In what is traditionally a DA stronghold, Carla and the Cape Independence Party delivered a resounding blow to the establishment in the Ward 8 by-election in Brackenfell/Kuilsriver on Wednesday 23 October 2024.

*With all of the votes counted, the results were:

CAPEXIT - 14%
DA - 85%
ANC - 1%

(*Parties below 1% not listed)

Carla Lourens-Ferreira and the CAPEXIT Party teams across Brackenfell/Kuilsriver managed to secure a powerful 2nd place position to the DA, who have historically dominated the area unchallenged.

Many residents in Brackenfell and Kuilsriver resonated with our message that we would not allow their voices to be silenced by the DA and the City of Cape Town dictatorship that continues to force their agenda on local communities against the people's best interests.

Carla Lourens-Ferreira and her private security company has fought to defend the safety, well-being, upliftment and de facto residential property value, for Brackenfell and the surrounding local communities for over 10 years.

The message of decentralisation, independence and putting the people of the Cape first, is a message that has deep seated roots in the hearts of the people of Brackenfell, and across the Cape.

Ultimately however, the DA continued to peddle the unfounded lies that if people didn't vote for the DA, the ANC/EFF would get in. Which in itself is a strange claim for the ANC-lite DA to make, considering the DA is in a coalition with the ANC.

Nevermind this, and all historical, political, mathematical and statistical facts showing that this was complete and utter absurdity, many voters in Ward 8 were bombarded with multiple sms'es and weeks of propaganda from the DA, pushing this blatant lie so that they could maintain their North Korean hold over Ward 8, and to this day much of Cape Town.

Fortunately many residents were awake to the lies, and were prepared to break the shackles of their servitude, knowing that Carla would do her best to put the people of Brackenfell and Kuilsriver first.

We would just like to send out a huge thank you to the Brackenfell and Kuilsriver community, and all of the volunteers, members and supporters who fought day in and day out to support Carla in her valiant battle against the DA machine. 14% is a huge success, and a phenomenal platform for the future.

Although Ward 8 remains in the hands of the DA, it is clear that growing numbers of residents and citizens in the Cape are sick and tired of being dictated to, and are ready for the people of the Cape to stand up and be put first.

Congratulations again to Carla and all of the CAPEXIT campaign teams in securing a very impressive 2nd place, and 14% of the total vote!

Well done everyone!

Onwards and upwards to 2026 and beyond!
